

# Protect Your Investment With A Portable Water Softener

- Easy Spotless Washes
- Eliminates Scale Buildup in Shower Head and Faucets
- Includes A Premium Filter System
- Recharge in Minutes

For Boaters and RV owners the SOFTEE can provide a spotless wash during your regular cleaning . Less time doing maintenance—More time relaxing and enjoying yourself.

Protect your investment by using soft water in your holding tank. No more hard water stains. No scale build up in water lines or on appliances. You have all the benefits of a home water softener at a fraction of the cost!

Easy to hook up and easy to recharge. In a matter of minutes your Portable Water Softener can be ready to provide you with gallons of soft, demineralised water. Recharging takes little time and ensures continuous benefits and protection for your water system.

A Premium 5 Micron Carbon Filter is included with every Softee which eliminates sediment, chlorine, and odors.
